### Sir David Zeidler

The Institute was saddened to learn of the passing of Sir David Zeidler in March 1998.

Sir David served with distinction on the Board from 1972 until 1989. He became Vice-President in 1978, also serving as Honorary Treasurer from 1978–1982. During his 17 years, he was a tower of strength to the Board, to the Director and to the President. His breadth of experience in technology, business and banking was accompanied by high intellect, and great personal charm.

Sir David chaired the committee which had oversight of the building of the new Institute in the first half of the 1980's. His loyalty, wise counsel and deep affection for the people of the Hall Institute will always be remembered.

To his wife June and family we extend our sympathy. We have lost a truly great friend.

## Board changes

---

### Retirement of Mr Eric Mayer

It is with great appreciation of his dedicated service to the Institute, that we record the retirement of Mr Eric Mayer from the Board in June 1998. Mr Mayer first joined the Board and became Honorary Treasurer in 1989. He also chaired the Investment Committee and the Board of Trustees of the Superannuation Trust. Despite his enormous load of other responsibilities, Eric always gave freely of his time and wisdom to the Institute. We wish him many happy years ahead.

### Retirement of Professor Gordon Clunie

Professor Gordon Clunie retired in February 1998 as a member of the Institute Board, following his retirement as Dean, Faculty of Medicine, Dentistry and Health Sciences at The University of Melbourne. We thank Professor Clunie for his unfailing support and wise counsel, and wish him well in what is sure to be a very active retirement.

### Appointment of Mr Roger Male

Mr Roger Male, previously Managing Partner of Coopers & Lybrand, Chartered Accountants, was appointed in June 1998 to replace Mr Mayer as a member of the Institute Board and Honorary Treasurer of the Institute. We warmly welcome him.

### Appointment of Professor Richard Larkins

Professor Richard Larkins, Dean, Faculty of Medicine, Dentistry and Health Sciences replaces Professor Clunie as one of the University of Melbourne nominees on the Institute Board. He will also chair the Appointments and Promotions Committee.
